

FEES & LEVIES POLICY 2025

The Fees & Levies Policy addresses the terms and conditions for Parents paying Fees and Levies to the College and lists the Fees and Levies that parents agree to pay when signing the student enrolment agreement for their children. Where errors and omissions are made the College reserves the right to charge the correct fee or levy.

The College reserves the right to alter Fees, Charges and Levies at any time to ensure the viable operation of the College. However, no changes to the College Fees and Levies will be made without reasonable notice (reasonable meaning a minimum of one month) to parents.

1. STUDENT ENROLMENT AGREEMENT and PARENTS / GUARDIANS RESPONSIBILITY

- 1.1** By signing the Student Enrolment Agreement, which is a Contract between you and the College, you are agreeing to pay fees on time during your child's education at Westside Christian College.
- 1.2** The Board of Management is committed to fulfilling this contract by ensuring that Westside Christian College provides the education services you are paying for.
- 1.3** The Board of Management expects parents/guardians to abide by the contract they have signed and make the payment of College fees one of their top priorities while their child/ren attends the College.
- 1.4** Should you fail to honour the contract you agreed to, not only does your family suffer but all other families in the College are disadvantaged because the College is not able to follow the budget that has been set for the current year. The College Board of Management has decided that where fees remain unpaid beyond the due date that the College will not educate the students involved.
- 1.5** The Board of Management understands that financial emergencies do occur and this Fees and Levies Policy sets out the procedures to be followed in such circumstances.
- 1.6** Notice of any change to the College Fee Schedule will be put on the website one month in advance of the change. Parents will be emailed that the change has been made. Please ensure your email address is up to date with the College.

2. COLLEGE FEES AND LEVIES PROCESS

- 2.1** Due dates for 2025 Fees and Levies payments are as follows:

Full Year's 2025 College Fees (qualifies for 1.5% rebate)	Friday	13 December 2024
Term 1 College Fees & Levies	Friday	7 February 2025
Term 2 College Fees & Levies	Friday	2 May 2025
Term 3 College Fees & Levies	Friday	25 July 2025
Term 4 College Fees & Levies	Friday	17 October 2025

- 2.2** College Fees and Family Discounts are set by the College Board from time to time with any changes being notified to parents/guardians in advance.
- 2.3** The Fees and Levies Policy is available on the College website in the Enrolments section.
- 2.4** College Fees and Levies are charged on a per term basis.
- 2.5** The annual "Fees and Levies" may be changed at any time by the Board of Management to ensure the financial viability of the College. However, one month's notice of any fee changes will be posted on the College website.
- 2.6** Fee accounts are issued quarterly before the first week of each term where possible for that term's Fees and Levies. These accounts are emailed to the account address of parents/guardians together with other relevant information, or posted where an email address has not been provided.

- 2.7** Parents/guardians wishing to pay their full year's College fees in advance to achieve a rebate should discuss this with the Fees Administrator who will advise them of the required amount. **Total College fees and levies must be paid by the Due Date as set out in the College "Fees and Levies Policy"**

3. COLLEGE FEES & LEVIES 2025

The Fees and Levies as presented in this document are current as at the publication date of this document. As changes to Fees and Levies become known, a revised document will be published on the College website. The fees and levies in this document are effective from 1 January 2025.

3.1 Enrolment Fees

Student Enrolment Deposit (Non-refundable)

- \$625 per Student, nil GST
- \$175 for 2nd child regardless of year of entry or further
- enrolments (Total of \$800 maximum per family)

\$250 of this fee will be credited against College Fees after the student has completed one term's tuition. Payment of the Student Enrolment Deposit confirms the enrolment of the student. The Student Enrolment Deposit will be payable by you within 14 days after all the enrolment procedures are complete. The fee covers all the enrolment costs associated with the student's enrolment. A student will not be allowed to commence attending the College until this fee is paid. There will be no further credit of fees for other children paid for under the 'maximum per family' Student Enrolment Deposit of \$800.

3.2 Fee Rebates

Full payment in advance: Parents who pay the 2025 full year's College Fees for a student by 13 December 2024 will be granted a rebate of 1.5% on the College Fees for that child. This discount only applies to College Fees, and will be forfeited for the remaining terms, if the child is withdrawn during the year.

Term on-time-payment: Parent accounts that are paid in full by the due date each term will receive a rebate of \$50 credited to that account for each term that this occurs. **Please note that "paid in full" means that payment has been received as clear funds by the College. Some payment methods have processing times of more than one business day and this should be considered when scheduling payments.**

Fee accounts receiving Family Assistance will not be eligible for the on-time payment rebate, as the College is not receiving the full fees on time but is accepting partial payment and crediting the remainder.

3.3 College Fees 2025

As stated in Section 2.4 College fees and levies are charged on a full-term basis and pro rata charging only applies when starting partway through a term.

The Schedule of Fees is shown at Appendix A.

3.4 Payment of College Fees & Levies

College Fees, Building Fund, Transport Fees and some Additional fees and levies are payable each term as per Section 2.1. The College Board has approved this document as the College's Fees & Levies Policy which outlines actions which will be taken for the non-payment of fees. Sections 4, 5, 6 & 7 cover this in more detail.

3.5 Building Fund Levy – Compulsory

The 2025 Compulsory Building Fund Levy is shown in the Fees Schedule at Appendix A.

To maintain the College Building Programme, which provides appropriate educational buildings on each campus of the College, the College Board recommends that parents consider a voluntary donation, in addition to the Compulsory Levy. Voluntary donations to the Building Fund are tax deductible.

3.6 Distance & TAFE Education

Where students enrol in a subject not provided by the College, they may access it through the State Government Distance Education. The College will then pass on all charges from the State Government to the parents via their fees statement. Where a student does not attend the College every school day due to attendance at off-site training, eg: TAFE course, no discount will be given on school fees.

3.7 Additional Costs

Additional items may include non-curricular excursions, failure to return textbooks/Library books, etc. Additional fees are billed each term as required and parents should ensure these additional fees are paid by the due date as shown in Section 2.1

3.8 Camps

College camps are a compulsory part of the curriculum for students. The exception being the Year 6 Canberra Trip, although we strongly encourage student participation as the tour is part of their curriculum studies.

All year level camps are included in the College fees except for Year 6 Canberra Trip. The Year 6 Canberra Trip must be paid prior to the trip and as per the schedule of payments issued by the Camp Coordinator. Payment can be made by the College website payment system, or directly to the Reception as they will not be added to fees.

3.9 Outside School Hours Care

The College operates our own Outside School Hours Care program which is located on the Primary campus. OSHCare is open from 6.30 am to 8.15 am and 2:45 pm to 6.00 pm each school day. Vacation care is provided for full and half days for all school holidays. Fees are as per the 2025 Fees Schedule. Additional details are available from the College Website at www.wcc.qld.edu.au/enrolments/oshcare/.

3.10 Instrumental Music

Parents should refer to the Instrumental Music Package available from Reception. This document details the Instrumental Music program for the year. Instrumental Music fees are shown in the Fee Schedule at Appendix A.

3.11 Transport Fees

The fees for Transport are shown in the Fee Schedule at Appendix A.

Parents should note that each Bus Service has limited seats and preference will be given to students with both ways, one way AM or one way PM permanent bookings. Therefore, Tailored bookings may not be able to be accommodated on all routes.

All bus travellers must be registered with the College Transport Department by submitting a completed Bus Application form each year to travel on our College buses.

Permanent Bookings in 2025

Permanent bookings will be billed to the College Fees Account per term.

Both Ways – To and from school travel each day

One Way AM– Morning only travel each day

One Way PM– Afternoon only travel each day

Tailored – Up to five permanent trips per week. Tailored travel must be on nominated days each week (e.g. Monday morning and Wednesday afternoon). If students travel at a time or day other than that nominated, they will be required to purchase a casual bus ticket for that trip. Any tailored trips not taken on a nominated day will not be refunded or exchanged.

Casual Bus Travel

Casual rates will apply to students travelling without a permanent per term booking. Casual travel must be booked through Schoolbox prior to travel. Casual Bus Tickets are paid using the funds in the students' Student Account (same account as the canteen) and must be purchased prior to boarding the bus, otherwise a 20% surcharge will be applied to the College fees account. **You must be registered to travel on our buses.**

Students from Kindergarten

Transport services are generally not available for Kindergarten students. However, exceptions may be made for children aged 4 years or older if they have older siblings using the transport service. For inquiries regarding transport options for Kindergarten students, please contact the Transport Department.

Students Prep to Year 6

For parents of students from Prep to Year 6, if no parent or carer is available to meet children at the afternoon bus stop then the children will be returned to school and left in the care of Westside Christian College OSHC. Parents will need to pay for the cost of OSHC for that afternoon. This process is to ensure the safety of young children carried on the College bus services.

Week On, Week Off and Fortnightly Travel

Students may travel on week-on, week-off and fortnightly travel schedules, however these will be charged per route at the full fare.

Changes in Permanent Bookings

All changes need to be advised to the Transport Department in writing at least one week prior to implementation of the change. Where more than one change in a permanent booking occurs during the term, a fee of \$25.00 may apply for any further changes per student during that term.

Cancelling or Changing Bus Travel

When cancelling bus travel or making changes to travel for the next term, you must have advised the Transport Department in writing before the following dates, otherwise a Cancellation Fee will apply. The Cancellation Fee of \$100 per family will be charged to the Fees Account.

17 January 2025	for Term 1
28 March 2025	for Term 2
13 June 2025	for Term 3
12 September 2025	for Term 4

Transport fees are on a per term basis. No reduction is given for part term usage. If your student is excluded from the bus for misbehaviour, no reduction is given for that term's transport charges. The College has a zero tolerance for bus misbehaviour.

Exam Shuttle

This service is available exclusively to Year 11 and Year 12 students following a morning exam. A casual ticket must be purchased, even for regular bus travellers. The bus will depart promptly from the front of the College once all morning exams are completed.

Exam bus bookings can be made through Schoolbox and will close at 9am each day. As this service is tailored daily based on demand, late registrations will not be accepted. If a student fails to attend their booked exam shuttle without notifying the Transport Department prior to the scheduled departure, a \$20 No-Show Fee will be applied per student. This fee will be charged to the parent's College Fees Account.

Bus Routes

Our regular bus routes are designed annually based on demand, with adjustments made each term as necessary. Below is a list of current suburbs and zones served by our bus routes. If your suburb is not included, please reach out to our Transport Department for assistance.

3.12 Requests for Parent or Student Documentation

Often parents or past students request information from the College which they have not kept a copy of. Some of this information may be kept offsite and will cost staff considerable time accessing the documentation.

The College does not budget for accessing past information and expects parents and students to maintain their own record systems. Requests for current or past information will now attract a fee before that information is released. The fees for information requests are shown in the Fees Schedule at Appendix A.

4. PAYMENT OF FEES

- 4.1 Term Fees and Levies are payable by the dates as set at section 2.1 on page 2.
- 4.2 Direct Debit on a weekly, fortnightly, monthly, or term basis is the **only** alternative to payment in full of a term's Fees and Levies by the prescribed due date for each term.

Direct Debits apply to all additional College fees and levies (such as Instrumental Music, transport, etc). A \$25.00 Alteration Fee may be charged to parent accounts if any changes are to be made to the Direct Debit during the year.

The College provides on its website a link that families can use to calculate their direct debit for the current year. It also allows immediate lodgement of your Direct Debit. The link is comprehensive and allows families an easy way to cover all their costs.

- 4.3 The timely payment of Fees and Levies forms part of the conditions of entry of child/ren to Westside Christian College.

If you wish to seek finance for your College fees and levies, there is a specialist provider of finance for school fees called Edstart (<http://edstart.com.au/wcc>). (NOTE: This is for information only and is not an endorsement of Edstart. Westside Christian College is not involved in any agreement between you and Edstart and does not receive any financial benefit from Edstart. Please seek independent financial advice when dealing with any financial institution).

- 4.4 The College's preferred method of payment is Direct Debit which we offer **free of charge**. Other officially accepted payment methods in 2025 will be Pay ID, Bpay, EFTPOS, credit card, once off debits, payroll deductions and payment through Parent Lounge using credit card. Credit cards accepted are either Visa or MasterCard.

Please note the College will not be charging a levy for either credit card transactions or any other electronic type transaction.

- 4.5 Transport Fees are due and payable in full by the due date of each term's statement. Arrears in Transport Fees may mean suspension of your child/ren's seat on the College bus.
- 4.6 All fee payments received will be automatically allocated firstly against the oldest debt on the account.
- 4.7 If a family has left the College and they have fees still owing (and / or the debt has been passed on to an outside collection agency) then the College will receipt any income owing to the family from the College (i.e. Second-hand uniform credit, MSA credit balances) directly against their unpaid fees.

5. ACTION ON OVERDUE ACCOUNTS

- 5.1** The College Board has determined that the College will not educate students where fees are unpaid, except when special arrangements for payment have been made in writing and approved by the Business Manager.
- 5.2** If fees and levies remain unpaid after the due date (as set out in paragraph 4.1), the Fees Administrator will report the overdue account to the Business Manager. The Business Manager will then authorise the issuing of a reminder letter formally advising that the account is overdue. This letter will carry with it an Overdue Fee of \$20.
- 5.3** If fees and levies, or part thereof, remain unpaid for one term and no special arrangements have been made, the student's position in the College may be suspended until such fees are paid in full or other arrangements are agreed with the Business Manager.
- 5.4** Participation in extra curricula activities eg. Instrumental Music will cease until all fees are up to date.

6. SPECIAL ARRANGEMENTS

- 6.1** If parents/guardians are not able to pay by the due date, short-term arrangements may be made to pay fees by instalments. The request to pay fees over a longer period will be treated on a case-by-case basis according to the procedure outlined below. It is the policy of the College Board that this procedure be followed.
- 6.2** The initial request by the parents/guardians should be made in writing and addressed to the Business Manager as soon as possible as parents/guardians become aware they will not be able to meet the due date for payment.

7. DEBT COLLECTION PROCESS

- 7.1** The College Credit and Levies Policy is designed to minimise the risk of parents/guardians going into debt with the College. The College does not have the resources to continually chase debts and therefore hands debt collection activities over to a debt collection agency.
- 7.2** Once parents/guardians default on payment by the due date, they will receive an unpaid College fees reminder. Please be aware that the office will continue to solicit a response by either email, phone or letter.
- 7.3** For parents who are making payment through the Direct Debit system; once a direct debit is not honoured by their bank, then the 'Account Service Fee' may be applied.
- 7.4** If the parents/guardians have not communicated with the College as to how the outstanding amount will be paid then the outstanding balance will be transferred to a collection agency.

- 7.5** The College points out to parents/guardians at enrolment that it does not plan for this activity to take place and encourages parents/guardians to remain true to the contract they enter into with the College on enrolment of their child/ren. Parents/guardians are encouraged to make payment of fees one of their family budget's top priorities while their child/ren attend the College.
- 7.6** If a family leaves the College with unpaid fees, and no formal arrangement has been put in place to finalise the account, then the debt will be transferred to an outside agency for collection.
- 7.7** Once debts are handed over to a debt collection agency all correspondence from that time on will be between the parent/guardian and the debt collection agency.

8. MATRIMONIAL SEPARATIONS

- 8.1** In the event of a matrimonial separation the College has adopted the following Credit policy. The College respects the privacy of all individuals, however in the case of parents with students at the College then certain issues must be clarified quickly for the benefit of the family and the College.
- 8.2** All parents must sign a Student Enrolment Agreement with the College for their child/ren to be enrolled. This agreement is a formal legal agreement applicable to each parent who signs the agreement. The Student Enrolment Agreement, particularly, the sections relating to payment of fees are clearly explained by the Enrolments Officer at the time of enrolment. Parents sign the Student Enrolment Agreement having declared they are able to afford the fees and levies.
- 8.3.** A matrimonial separation does not excuse parents from paying fees and levies. Fees will still be charged and the College expects these to be paid by the due date.
- 8.4.** In the situation of a matrimonial separation where the partner left with custody of the child/ren is unable to fully pay fees by the due date then the Business Manager has discretion to allow a longer time period for payment of the fees and levies. The parent involved must make formal application to the Business Manager and a response should be sent within three working days.
- 8.5.** Where a matrimonial separation occurs parents should provide as soon as possible details of the formal custody arrangements for child/ren and the full details of all maintenance arrangements decided at mediation or through the Family Court. No consideration for Family Assistance will be made until these documents are provided.
- 8.6** The College does not allow split billing for separated parents.
- 8.7** Where a matrimonial separation occurs and one of the parents writes to the College declaring that they are no longer financially responsible for the fees and levies, then the College will still apply the one term's notice required for the financial withdrawal. An example of this would be where a parent gives notice of financial withdrawal during Term 1, then both parents would still be held responsible for all billings in Term 2 given that adequate notice was not given. If the second parent continues with the enrolment then that parent will be solely responsible for all fees and levies from Term 3 onward.

9. FAMILY ASSISTANCE

- 9.1 The College Board has the discretion to recommend fee concessions based on financial need of existing College families.
- 9.2 If parents/guardians believe they are unable to pay full College Fees and Levies, because of ***genuine financial hardship***, they must request in writing to the Business Manager, that they be sent a Family Assistance Application Form.
- 9.3 Because of budgetary processes, Family Assistance Applications (together with supporting documentation) for a particular College academic year, must be received by the College by the due date (*or the next available business day*) of the year prior to the relevant academic year for which Family Assistance is sought. Late applications will be considered until the last day of Term 4 **only** where there has been a significant change in the applicant's circumstances subsequent to the due date. Late applications which are successful will be subject to reduced assistance amounts and may not be notified until late December.
- 9.4 Returned Family Assistance Application forms which are not fully completed will not be considered. Applicants must answer all questions as set out on the form.
- 9.5 An interview will be arranged between the Business Manager and the family making application for assessment purposes of the application. The Business Manager will frame any recommendation to the Family Assistance Committee on the basis of this interview. In a situation where a family has already received Family Assistance in the prior year then it is at the discretion of the Business Manager whether an interview is required.
- 9.6 The Family Assistance Applications will be assessed by the Family Assistance Committee as determined by the College Board. The results of their deliberations should be submitted to the Principal who should table same at the College Board Meeting following the decision of the committee.
- 9.7 All parents/guardians who submitted a Family Assistance Application should be notified in writing of the result of their application as soon as possible after Board decision has been given. The College's decision in this matter will be final.
- 9.8 Family Assistance is only granted for one College academic year at a time.
- 9.9 Fee accounts receiving Family Assistance will not be eligible for the on-time payment rebate, as the College is not receiving the full fees on time but is accepting partial payment and crediting the remainder.

10. SHORT TERM ABSENCE

- 10.1 Typically where parents remove students for short term absence for family reasons such as holidays/overseas trips, full fees still apply (see Section 2.4).

11. STUDENT WITHDRAWAL

- 11.1** Parents/guardians considering withdrawal of their child/ren must consider that some year levels have waiting lists. Notice of withdrawal accepted by the College means your child/ren's enrolment place is lost as at the notified date of withdrawal. The College, once the withdrawal date has been agreed upon, will allocate a place to the next child on the waiting list.
- 11.2** Parents should note that the College requires one term's notice in advance if students are to be withdrawn from the College. Failure to provide one term's notice in advance will mean that the term's College fees will be charged to the parent account. For clarity, the following dates apply for notification of withdrawal without additional charge.

Last term of enrolment	Latest day of attendance	Last day to notify of withdrawal without additional charge
Withdrawal by the end of Term 1 2025	4 April 2025	Week 1 Term 1 2025 28 January 2025
Withdrawal by the end of Term 2 2025	20 June 2025	22 April 2025
Withdrawal by the end of Term 3 2025	19 September 2025	16 July 2025
Withdrawal by the end of Term 4 2025	5 December 2025	2026 Enrolment Intentions form due date – to be confirmed

- 11.3** Parents/guardians who agree with the College on a date of withdrawal should note that if they change their mind after their child/ren leave the College and wish for the student/s to continue then they will need to re-enrol the student/s through the normal procedures.

12. OVERDUE RETURN OF TEXT BOOKS

- 12.1** Text books are hired to all secondary students with the expectation that these are to be returned in a similar condition to which they were lent out. Books that are damaged beyond repair are charged onto a parents account at the replacement value.
- 12.2** All overdue fees and costs will be added to the parent account and forwarded in the next billing.

13. LOST LIBRARY & TEXT BOOKS

Lost Library or Text books cannot be replaced by parents with store bought or "from home" copies of the lost book. The replacement cost covers the purchase of a replacement as well as our administration costs, ensuring that we purchase the correct edition.

14. PRIVACY POLICY in relation to fee accounts

- 14.1** Parents should be aware of the College Privacy Policy as shown on the College website. The same principles apply to Fee Accounts.

- 14.2** Information on parent Fee Accounts will only be released to the person who has signed the Student Enrolment Agreement.
- 14.3** If information is to be released to another party, the College will only entertain this after receiving written instructions from the parent who has signed the enrolment policy. Once instructions have been received the information will only be released as per the instruction from the parent.
- 14.4** Statements / Invoices will only be sent to the parent who has signed the Student Enrolment Agreement.

15. KINDERGARTEN information

15.1 Costs

Kindergarten fees will be \$99.80 per day for long day care (7:30am to 6:00pm) or \$86.10 per day for Kindergarten hours (8:30am to 2:30pm).

Child Care Subsidy may be available via Centrelink. Parents are liable for payment of the unsubsidised amount. See www.childcaresubsidycalculator.com.au for the Child Care Subsidy calculator and to check eligibility.

15.2 Billing

Your fee information will be available to you at all times on your Xplor app. Statements are also sent via email each fortnight.

Due to the level of funding the College receives for Kindergarten students, unfortunately we cannot offer sibling discounts. (This not only applies to siblings in older grades, but also twins attending Kindergarten together.)

15.3 Payment Methods

Payment are to be made by weekly or fortnightly by bank transfer, EFTPOS at the service or Direct Debit through Ezidebit. Payment information will be sent to you prior to the start of Kindergarten. Outstanding balances can be checked through your Xplor app or on the statement emailed each fortnight.

Failure of the Direct Debit two weeks in a row will result in the suspension of your child from Kindergarten until fees are paid up to date.

Failed payments will result in you being charged rejection costs. Multiple failed payments may interfere with your child's ongoing enrolment within the Kindergarten program.

15.4 Progression Into Prep

Enrolment into the Westside Kindergarten program does not guarantee automatic advancement into the Westside Prep program the following year.
